

## Hot & Healthy Cockatiel Food

The food that changed how psittacine birds are fed.

- ✦ The best fruit and vegetable “free choice” feeding method.
- ✦ Specially selected ingredients improve acceptance without unnecessary color and flavor additives.
- ✦ Scientifically researched, studied and tested.
- ✦ Carefully measured and matched pre-mixes are used to control iodine, copper, iron, and selenium.
- ✦ Developed and tested by experts in avian nutrition, avian medicine, and avian husbandry.
- ✦ Recommended by avian, wildlife and zoo veterinarians.
- ✦ More vitamins, minerals, essential proteins and oils than pet store products.
- ✦ Long-term use in multi-generational breeding facilities with proven results.

## Hot & Healthy Cockatiel Food

Hot & Healthy Cockatiel Food is a round pellet about the size of a "BB" (3 mm). This food is for smaller hookbills and enjoyed by Cockatiels, Love Birds and Parakeets.

Hot & Healthy Cockatiels Food is a mixture of healthy food and hot chilies and spices. Mix with your pet bird's fruit and vegetables and watch how enthusiastically it is consumed. It is often added to warm water to make a "stew" because of the spicy flavor. It "soaks-up" easily, and makes a wonderful flavor and texture.

## Feeding Protocol

This food contains all known essential nutrients for your bird's health, longevity and breeding needs. It can be fed to birds as a maintenance food along with fruits and vegetables. Please visit our website for more information, [www.scenicbirdfood.com](http://www.scenicbirdfood.com).

For breeding pairs, this food provides the nutrition needed to increase egg production and fledgling survivability rates.

## Guaranteed Analysis (AF\*)

Crude Protein	20% min.	Moisture	10% max.
Crude Fat	7% min.	Ash	6% max.
Crude Fiber	5% max.		

## Selected Nutrients \*\* (AF)

Available Iron	80 ppm min.	Methionine & Cystine	0.9% min.
Calcium	1.2% min.	Copper	20 ppm min.
Phosphorus	0.7% min.	Iodine	2.5 ppm min.
Vitamin D-3	3500 IU/Kg min.	Selenium	0.3 ppm min.
Lysine	1.2% min.		

## Ingredients

Whole grain yellow corn, soybean meal, corn gluten meal, corn hominy feed, sucrose, sugar beet pulp, dehydrated alfalfa, soybean oil, zinc sulfate, flaxseed oil, dicalcium phosphate, niacin supplement, apple fiber, manganese sulfate, ferrous sulfate, calcium carbonate, calcium pantothenate, sodium chloride, l-lysine, red chili pepper, copper sulfate, riboflavin supplement, thiamin mononitrate, cobalt oxide, folic acid, menadione nicotinamide bisulfite, l-ascorbyl-2-polyphosphate (source of vitamin C), pyridoxine hydrochloride, choline chloride, propionic acid, artificial color, ethylenediamine dihydriodide, d-biotin, sodium selenite, vitamin B-12 supplement, vitamin A supplement, vitamin D-3 supplement, vitamin E supplement.

\* As fed. \*\*Estimates are provided to establish the quality of the food. A complete list is available from the company.
