

Scenic™ Jungle & Paradise Bird Food

The food morsels that changed how parrots are fed.

- ✦ The basis of a true fruit and vegetable “free choice” feeding protocol.
- ✦ Birds are allowed to mimic natural feeding behavior while consuming easy to eat morsels.
- ✦ Single formula lowers overall cost of feeding.
- ✦ Single formula simplifies feeding protocols reducing opportunity for feeding error.
- ✦ Highly specified ingredients improve acceptance without unnecessary additives.
- ✦ Captive manufacturing achieves unmatched quality and consistency.
- ✦ Measured and matched pre-mixes are used to control iodine, copper, iron, and selenium.
- ✦ Low available iron level is safer for all birds.
- ✦ No substitutions are allowed in the formula to achieve unmatched consistency.
- ✦ Scientifically researched, studied and tested.
- ✦ Developed and tested by expert professionals including avian nutritionists, avian veterinarians, and avian caregivers.
- ✦ Recommended by avian, wildlife, and zoo veterinarians.
- ✦ Better balanced vitamins, minerals, essential proteins and oils than any pet store products for long-term health.
- ✦ Long-term use in multi-generation breeding proves the efficacy and safety of the protocol.
- ✦ Healthier pets are more enjoyable and breeder stock is more productive.

Scenic™ Jungle & Paradise Bird Food

Jungle Food: An elongated “pencil” shaped food about 1” (2.5 cm) long. Especially useful for birds that like to pick up their food with their feet.

Paradise Food: A round ball about ¼” (5 mm) in diameter. Especially useful for birds that eat from a bowl with their beaks.

Feeding Protocol

Although primarily used as a substitute for seeds and as a source of balanced nutrients in a fruit and vegetable feeding protocol, Scenic Bird Food is safe to feed your bird alone. If mixed with other foods, like fruits and vegetables, follow this general outline:

Mature Pet Birds	50% Scenic & 50% fruit, veggies
Sick Birds	75% Scenic & 25% fruit, veggies
Immature Birds	75% Scenic & 25% fruit, veggies
Breeding Birds	90% Scenic & 10% fruit, veggies
Show Birds	90% Scenic & 10% fruit, veggies

Guaranteed Analysis (AF*)

Crude Protein	20% min.	Moisture	10% max.
Crude Fat	7% min.	Ash	6% max.
Crude Fiber	5% max.		

Selected Nutrients ** (AF)

Available Iron	80 ppm min.	Methionine & Cystine	0.9% min.
Calcium	1.2% min.	Copper	20 ppm min.
Phosphorus	0.7% min.	Iodine	2.5 ppm min.
Vitamin D-3	3500 IU/Kg min.	Selenium	0.3 ppm min.
Lysine	1.2% min.		

Ingredients

Whole grain yellow corn, soybean meal, corn gluten meal, corn hominy feed, sucrose, sugar beet pulp, dehydrated alfalfa, soybean oil, zinc sulfate, flaxseed oil, dicalcium phosphate, niacin supplement, apple fiber, manganese sulfate, ferrous sulfate, calcium carbonate, calcium pantothenate, sodium chloride, l-lysine, copper sulfate, riboflavin supplement, thiamin mononitrate, cobalt oxide, folic acid, menadione nicotinamide bisulfite, l-ascorbyl-2-polyphosphate (source of vitamin C), pyridoxine hydrochloride, choline chloride, propionic acid, ethylenediamine dihydriodide, d-biotin, sodium selenite, vitamin B-12 supplement, vitamin A supplement, vitamin D-3 supplement, vitamin E supplement.

* As fed. **Estimates are provided to establish the quality of the food. A complete list is available from the company.
