

MOZAIC REPTILE FOODS™

Research-Based Reptile Foods

A easily digestible and palatable source of energy from plant proteins and fibers for herbivorous reptiles.

- Thoroughly researched, tested, and frequently updated.
- Widely used by zoological institutions and pet owners.
- Made from plant proteins without gliadin (no wheat gluten).
- An economical dry formula that is easy to feed, store, and ship with a long shelf life.
- Controlled iron, copper, iodine, calcium, and phosphorus ingredients.
- Available in three forms: Tortoise (large pellet), Iguana (small pellet), and Bearded Dragon.
- **Mozaic Reptile Food** can be fed with a few fruits and vegetables to give your reptiles variety and natural sources of moisture and fiber. It will not lose its shape when moistened with water, fruit juice or vegetable juice.
- Insect feeding protocols also available.†

† See separate brochure for more information on Orthocal Insect Powder.

Product Descriptions

Tortoise Food (large pellet): a rectangular bar about 1.0" (25mm) by 0.5" (12 mm) by 0.25" (5 mm).

Iguana Food (small pellet): a miniature sphere 3 mm in diameter. It can be adapted for use on many herbivorous lizards.

Bearded Dragon Food (large pellet): a rectangular bar about 1.0" (25mm) by 0.5" (12 mm) by 0.25" (5 mm).

Feeding Protocol

Mature Reptiles: 50% Reptile Food and 50% fruits and vegetables.

Immature Reptiles: 75% Reptile Food and 25% fruits & vegetables.

Breeding Reptiles: 90% Reptile Food and 10% fruits and vegetables.

Guaranteed Analysis (AF*)

Crude Protein	20% min.	Crude Fat	6% min.
Crude Fiber	11% max.	Moisture	10% max.
Ash	7% max.		

Selected Nutrients ** (AF)

Acid Detergent Fiber	13% min.	Acid Detergent Fiber	16% max.
Neutral Detergent Fiber	21% min.	Available Iron	100 ppm min.
Calcium	1.0% min.	Phosphorus	0.7% min.
Vitamin D-3	3500 IU/Kg min.	Copper	20 ppm min.
Iodine	1.0 ppm min.	Selenium	0.3 min.

Ingredients

Soybean meal, corn gluten meal, soybean hulls, sugar beet pulp, corn hominy feed, sucrose, yellow corn, dehydrated alfalfa meal, soybean oil (stabilized), flaxseed oil, dicalcium phosphate, apple fiber, calcium carbonate, sodium chloride, L-lysine, vitamin C 2-polyphosphate, propionic acid, choline chloride, zinc sulfate monohydrate, ferrous sulfate monohydrate, manganese sulfate monohydrate, nicotinic acid, d-calcium pantothenate, cupric sulfate pentahydrate, menadione dimethylpyrimidinol bisulfite (vitamin K), riboflavin supplement, thiamin mononitrate, ethylene diamine dihydriodide, sodium selenite, d-biotin, folic acid, pyridoxine HCL (vitamin B-6), cyanocobalamin (vitamin B-12), stabilized retinyl palmitate (vitamin A), D-activated animal sterol (vitamin D-3), dl-alpha tocopheryl acetate (vitamin E), FDC # 40.

* As fed. **Estimates are provided to establish the quality of the food. For a complete list visit our website.
